

SPALOO is a toilet seat bidet that can replace any standard round or oval toilet seat.

Key Features Include

- Simple installation on an already-existing toilet
 - Affordable price – great alternative to completely replacing a toilet and plumbing
 - Heated Seat (welcome in the winter)
 - Superior cleaning: two retracting, adjustable water spraying nozzles
 - Superior comfort: adjustable water pressure and temperature
 - Adjustable air dryer
- Hydraulic soft-close seat (no more slamming seats!)
- Made from germ resistant plastic.
 - And many more

Restores Dignity, Independence and Cleanliness

- To people who can't otherwise clean themselves easily
- For those who are temporarily or permanently disabled

Environmental Benefits Include

- Reduces the need for toilet tissue
 - Saves water

Hygienic & Health Benefits Include

- Hands-Free Cleaning – Hygienic elimination of bacteria, germs, disease from hands
 - Thoroughly cleans privates
 - Gently air dries sensitive body-parts
- User friendly and simple option for those who are infirm or who have suffered from loss of limbs, loss of manual dexterity, etc.
- Mildly reduces discomfort associated with menstruation, hemorrhoids, childbirth, and much more
